

Equipment details

Customer: Frøy AS
Producer: ECS
Serial no: CGF053UT
Service interval: 24 months
Location: 10Ft henger
Model: Twinset
Build year: 2026

Data

Cylinder type: Steel 2x7
Oxygen cleaned: -
Test facility number: -
Color: -
Working pressure (bar): 300
Weight (kg): 8.70
Cylinder volume: 7.0
Test pressure (bar): 450
Thread type: M25x2
Application type: Diving
Hydro tested: -

Exterior

Heat damage: Pass
Repainted: No
Hammer test: Pass
Odor: Pass
Dent or bulge: Pass
Weight: Pass
Line corrosion: Pass
Exterior condition: Pass
Minimum wall thickness: Pass
Exterior approved: Pass

Interior

Interpreted (thread verification): Pass
Threads approved: Pass
Crack formation: Pass
Sealing surface damaged: Pass
Amount of loose material: Pass
Pitting corrosion depth: Pass
Interior approved: Pass

Pressure testing

Water temperature: Pass
Water fill (in): Pass
Water drain (out): Pass
PU (test pressure reached): Pass
PU% (percentage of test pressure): Pass
Pressure testing approved: Pass

Valve

Overhauled: No
Valve/cylinder thread: Pass
Filling connection thread: Pass

General

Repairs on cylinder	No	Cylinder and valve approved	Pass
